a few years ago johnny multony transformed from not fitting into a socially savvy kid started the first ever social detective agency he was hired by other students in his school for help with common interpersonal dilemmas such as cliques dealing with disappointments bullying personal space friends body language and much more now an opportunity of a lifetime johnny multony has opened the social detective academy and you have been invited during your time at the social detective academy you will learn some of the most important things a social detective needs to be aware of learning these things will help you become a skilled social detective capable of helping others solve their social mysteries just like johnny but even more than that you will learn the tools for becoming a social ninja capable of navigating some of the most complicated social mysteries that you might face in your own life the truth is that some of the best social detective training involves learning how to be more socially skilled yourself if you can effectively navigate your own social world you will be much more capable of helping others become successful in their own social journeys this is how johnny's first students learned to become excellent social detectives themselves by practicing solving their own mysteries throughout this book you will have the opportunity to test your skills by trying to solve social mysteries alongside some of johnny's first students these mysteries came directly from these students personal lives and show how they used their social detective skills to make their own social lives better as you read through the chapters see if you can use the tools you are learning to identify social mysteries you might have in your own life some of the ideas in this book are going to be pretty easy and straightforward you will probably understand them with very little effort but some of the things we will be talking about might seem a little more complicated at first if there is something that you don't quite get right away don't worry about it that is to be expected just keep going and don't let it hold you back you can always come back to it later on if you don't fully understand something you will still be able to understand later things in the book in fact some of the things in this book will probably make even more sense as you read later parts of the book so if something is not completely clear keep reading on and come back johnny actually encourages his social detective students to come back and reread things even if they understood them the first time because

rereading about important ideas can help you to have a deeper understanding each chapter will also have a social detective concept summary at the end these summaries are there to help you organize the most important concepts in each chapter they serve as a good reference guide to come back to if you need to refresh your memory later on

all party parliamentary groups appgs are groups of members from both houses who may or may not be supported by outside organisations and are established for a wide range of purposes there is a register of such groups overseen by the parliamentary commissioner for standards there has been increasing concern that appgs pose a reputational risk to the house in several ways they may provide access for lobbyists they put pressure on resources and their output is confused with that of official select committees but appgs also provide forums for cross party interaction which is not controlled by the whips interaction between the members of the commons and the lords and a forum for parliamentarians academics business people the third sector and other interested parties time and space for policy discussion and debate and a means for back bench parliamentarians to set the policy agenda there is a longstanding dilemma about the regulation of appgs they are essentially informal groupings established by individual members yet the more restrictions and requirements that are placed on them the more they appear to be endorsed by the house the house of commons commission has already decided to withdraw the passes of appg staff the committee proposes a package of reforms ensure that members responsibility for appg activity is clear and accountable ensure transparency not only about external support but also about the activities funded by such support and far greater clarity about the status of the various types of informal work that members carry out
