currently students are interested in more than one thing at the same time preferring to use visuals and infographics rather than writing in the learning process in addition these students use technology better in the education process as in all aspects of daily life as they meet technology at an earlier age than their teachers therefore teachers should also update themselves according to these learner characteristics in particular assessment and evaluation are two of the topics that students may not enjoy to their fullest extent this book serves to make the assessment process fun and interactive as well as to inform teachers about the different applications they can do in this process it invites teachers to introduce highly interactive applications and make their classes active in the learning process

parenting internet kids with three key terms slashed together conveys the idea that the practice of parenting may extend both to the internet and to our children to the extent that

both require attention care and forms of regulation and in turn provide support and enjoyment while the triadic title is somewhat playful it also strikes a serious note and introduces layered possibilities we are not simply raising children who have grown up in the internet age but also domesticating technologies by managing the computer relatively young in age too having established itself in homes in the 1980s including perspectives from scholars and parents living in australia canada india japan the uk and the usa the collection examines how the intimate presence of computer technology in our homes and on our bodies affects not only mothers and parenting but family life more broadly

the complete idiot s guide to social media marketing second edition covers cutting edge techniques for small and large businesses alike ask the author q how has social media marketing changed business and personal lives a the playing field has been leveled for business no longer do you need a 6 or 7 figure budget to reach people around the country or globe for that matter personally many lives have been affected many people more connected businesses have grown because of the connections tv and singing careers have been launched money has been raised for charity books have been marketed and purchased and so on q what has been the most challenging part of utilizing social media a i think the learning curve with all of these sites they come with no directions and no live phone number q what has worked the best and worst thus far a facebook because of it s broad reach really has worked for me but many would argue that youtube works the best particularly since it is the search engine of choice with the 11 34 age group q how can a person searching for a job use social media marketing a so many ways they need to be on linkedin with a professional looking profile photo and contact information they could also utilize video to begin sharing their expertise candidates need to stand out in a crowd of millions so if they say sent in a video introducing themselves and a video follow up email that would wow them q what is the newest thing since twitter a i believe companies and individuals are starting to utilize audio for creating their own itunes channel and also location based social media like foursquare i personally am not sold on location based services as of yet from a safety point of view but for retailers it can be a good thing i believe video is going to explode in popularity in 2011 for the 35 market as well they just need to get comfortable being on camera
