after the peace examines peace agreements made in the period after the cold war and ways in which these agreements might be strengthened six studies are included that explore three major conflicts from a number of perspectives

the complete history of northern ireland from the irish civil war to brexit a wonderful

book beautifully written informative and incisive irish times after two decades of relative peace following the good friday agreement of 1998 the brexit referendum in 2016 reopened the northern ireland question in this thoughtful and engaging book feargal cochrane considers the region s troubled history from the struggle for irish independence in the nineteenth century to the present new chapters explain the reasons for the suspension of devolved government at stormont in 2017 and its restoration in 2020 as well as the consequences for northern ireland of britain s decision to leave the european union providing a complete account of the province s hundred year history this book is essential reading to understand the present dimensions of the northern irish conflict

a thriller of violent prejudices and divided loyalties about the province where no one talks this story tells it like it is this ulster novel reaches to the very roots of sectarian life and death written by a member of the security forces it penetrates behind the media screen to reveal a human landscape that is unknown yet startlingly believable it is a world where sworn enemies may exchange confidences over a game of snooker where a kneecapping operation turns into a deadly vendetta fuelled by sexual jealousy and where the fate of the united kingdom could rest in the hands of one punch drunk bruiser with a dangerous addiction everything is here from the glamour of hi tech intelligence work to the despairing pub talk of men locked in the past trace the origins of these relentless tit for tat killings often starting in childhood and see how the lives of vastly different people may be mysteriously linked forever against the fatally beautiful backdrop of northern ireland

sunset is a collection of poetry from a crime fighting author who has previously published fictional novels on policing terrorism and the raging drugs culture paul anthony traces the life of a relaxed carefree teenager in the sixties to a man at the dawn of the twenty first century the journey captures an age of experiences peaceful and pleasant violent and murderous the voyage from one century to another smoothly results in a unique portrayal of the era in which we live from love and romance war and peace sorrow and surrender to private tears and unknown fears this is a roller coaster of poetic emotion

a full length assessment of what went wrong with the oslo peace process a process

that began in euphoria and degenerated into disaster

this encyclopaedia provides a comprehensive overview of major theories and approaches to the study of peace and conflict across different humanities and social sciences disciplines peace and conflict studies pcs is one of the major sub disciplines of international studies including political science and international relations and has emerged from a need to understand war related systems and concepts and how to respond to it afterward as a living reference work easily discoverable and searchable the palgrave encyclopedia of peace and conflict studies offers solid material for understanding the foundational historical and contemporary themes concepts theories events organisations and frameworks concerning peace conflict security rights institutions and development the palgrave encyclopaedia of peace and conflict studies brings together leading and emerging scholars from different disciplines to provide the most comprehensive and up to date resource on peace and conflict studies ever produced

the fragile peace chronicles the two dizzying decades that followed the cataclysm of the first world war

several regions of the world are characterized by persistent internal conflict and deeply rooted structures of violence this work explores why domestic and international efforts to re establish order human security democratic processes and a developing economy are proving difficult to achieve

this book offers a comparative survey of 18 contemporary peace processes conducted by leading international scholars there is no standard model of peace processes and all will vary according to the context type of conflict timing national and global economic climate and factors like natural disasters therefore making comparisons between peace processes is difficult but it is beneficial indeed imperative and is the principal motivation behind this volume what works in one context may not work in another but it can be modified and adapted to fit another context the book is structured to maximise comparison between processes and the case studies chosen are topical and span the major regions of the world the concluding chapter systematically compares the case studies around 11 variables that cover the conflict context peace process procedures the responsiveness of the peace process to demands and levels of participation and

inclusion each peace process is then given a numeric score according to each of these variables and the book thereby reaches judgements on whether each case can be termed a success or a failure this book will be essential reading for students of peace studies conflict resolution war and conflict studies security studies and ir

kosovo today more than eleven years after the war is still a fragile and unfinished state enjoying only limited sovereignty while continuing to be divided into a serb north and an albanian dominated south all the important dimensions of society in kosovo remain critical and highly unstable while the security situation in the country except the north has considerably improved the living conditions of the kosovar population are still in a dismal state corruption and organized crime continue to block the development of a viable state an efficient bureaucracy and a democratic political culture this book systematically analyzes and describes the relevant developments in kosovar society since the end of the war and investigates how successfully peace has been established in kosovo

in quality peace leading peace researcher peter wallensteen offers a broad analysis of peacebuilding isolating what does and not work when settling conflicts the book uses statistical analysis to compare two war outcomes negotiated settlement and victory in the post cold war era

ranging broadly from andrew jackson to bill clinton and george w bush stuckey demonstrates how presidents accomplish the dual enactment of inclusion and exclusion through their rhetorical and political choices our early leaders were preoccupied with balancing the growing nation later presidents were concerned with the nature and definitions of citizenship by examining the political speeches of presidents exemplifying distinctly different circumstances she presents a series of snapshots which when taken together reveal both the continuity and the changes in our national self understanding

emphasizes the conservative bent that guided the young statesman s remarkable political evolution revealing a lincoln who was increasingly driven by his antislavery sentiments and fear for the republic in the hands of the democrats like stephen douglas as much as if not more than his own political ambition

This is likewise one of the factors by obtaining the soft documents of this **A Fragile Peace** by online.
