a researcher's decision about the sample to draw in a study may have an enormous impact on the results and it rests on numerous statistical and practical considerations that can be difficult to juggle. Computer programs help but no single software package exists that allows researchers to determine sample size across all statistical procedures. This pocket guide shows social work students, educators, and researchers how to prevent some of the mistakes that would result from a wrong sample size decision by describing and critiquing four main approaches to determining sample size in concise, example-rich chapters. Dattalo covers sample size determination using power analysis, confidence intervals, computer-intensive strategies, and ethical or cost considerations as well as techniques for advanced and emerging statistical strategies such as structural equation modeling, multilevel analysis, repeated measures MANOVA, and repeated measures ANOVA. He also offers strategies for mitigating pressures to increase sample size when doing so may not be feasible. Whether as an introduction to the process for students or as a refresher for experienced researchers, this practical guide is a perfect overview of a crucial but often overlooked step in empirical social work research.

Dive into the Omegaverse Mates world. This collection includes the first three serials taking place in the emotional but also magical world of Omegaverse Mates where men can get pregnant and families aren't always bound to you by blood but instead made up of people you love and who love you. Dive into this more than 450,000 words or almost 1,800 pages long saga today. *Second Chance Mates*: What would you do if your estranged alpha died leaving behind an omega and child with no one to care for them? Wilder, ten years ago Logan left me. He told me that two alphas cannot be together that our mating wasn't real yesterday my sister called and told me that Logan passed away that he's leaving behind an omega and a young child today I'm at Logan's funeral trying to stay out of sight I notice how Logan's family treats his omega why am I the only one willing to help them? Sterling Logan and I had everything we ever wanted a lovely cottage a beautiful daughter and lots of big dreams then he was ripped away from us in a car crash now Logan's family is about to leave me to fend for myself after the funeral until one of Logan's old friends steps in only in all the commotion I didn't keep an eye on the calendar and my heat starts at the most inconvenient of times why is Logan's friend reacting to my heat only true mates are supposed to react to a mated omega what's going on making a family when your idea of asking a cute omega to be your pretend husband for a weekend takes an unexpected turn. Clay I have my pride as an alpha and I don't want to be the only unmated sibling at my youngest sister's wedding what's a successful but bachelor alpha to do well maybe ask the cute omega frequenting my cafe to be my fake husband for the weekend only I didn't expect a weekend of fun to go so very differently. Aiden the day after my sister leaves her three-month-old to look after to be the parent she can't be I get an odd request from the handsome alpha running the cafe I frequent and who can resist a request from the only man able to make me smile this week so I show up play the role of adoring husband and that's when things go a little off script omegas destined alpha two omegas one kiss and an alpha who wasn't supposed to see it happen. Nathan I'm supposed to be an author but I haven't finished a book in years not since things got out of control so to hopefully get back on my feet I move to a new city start teaching at college and suddenly find myself intrigued by two omegas that pass me by every morning one day on a whim I

follow them and see something i shouldn't have seen a kiss a beautiful kiss and it's the start of a journey i never expected to make zeke i fled from the arranged marriage my parents set up for me and i was ready to give up on love entirely and then my best friend saved his younger omega brother wes from a bad situation and suddenly i was falling head over heels it's amazing to be at wes side and to see him flourish even if our relationship is a little complicated we're making it work maybe love isn't so bad after all what i hadn't counted on was the alpha walking into the cafe and the way my eyes keep getting drawn to him wes after my brother saved me from my abusive ex i'm getting my feet back under me i'm finally doing the things i was never able to do like having a job and going to college it's not easy to combine it with caring for my four children but with my omega boyfriend zeke and my brother's family at my side we make it work they're all the people i'll ever need until one morning an alpha walks into the cafe that i work at and he asks zeke and me out on a date together
