in the wake of the covid 19 pandemic the need to re establish the labour movement s political capacity to exert collective power in ways that foster greater opportunity and equality for working class people has taken on a greater sense of urgency understanding the strategic political possibilities and challenges facing the canadian labour movement at this important moment in history is the central concern of this second edition of rethinking the politics of labour in canada with new and revised essays by established and emerging scholars from a wide range of disciplines this edited collection assesses the past present and uncertain future of canadian labour politics in the wake of the covid 19 pandemic bringing together the traditional electoral based aspects of labour politics with analyses of newer and rediscovered forms of working class organization and social movement influenced strategies which have become increasingly important in the canadian labour movement this book seeks to take stock of these new forms of labour politics understand their emergence and assess their potential impact on the future of labour in canada

the second edition of broadcasting policy in canada offers a comprehensive overview of the policies that provide the foundation for the canadian broadcasting system including discussion of topics such as canadian content media regulation and program financing

group politics and social movements in canada second edition updates and expands its exploration of a wide range of organized group and social movement activity in canadian politics particularly distinctive is the inclusion of quebec nationalism and aboriginal politics many other areas of collective activity are also included the occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture christian evangelical groups environment and health movements contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on canadian politics each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures

this book offers a short comprehensive history of post war canada all the major events and developments in canadian history

are discussed the evolution of the welfare state the growth of economic domination by the united states the halcyon days as a middle power the quiet revolution the first nations quest for autonomy the flowering of english canadian nationalism quebec nationalism the women s movement neo conservatism and globalization finkel covers political economic social and cultural history in this volume this second edition includes a substantial new chapter that discusses the people events and developments that have dominated the period from 1995 to 2012 this chapter looks at the growing social inequality within canadian society the effects of globalization on canada s industries economy and workers and the increasing environmental challenges that we face extensively illustrated our lives canada after 1945 is a uniquely accessible and comprehensive overview of a period only beginning to attract the attention of historians

more than a quarter of a century has passed since canada promised to recognize and respect the rights of children under the united nations convention on the rights of the child ratification of the convention cannot however guarantee that everyone will abandon proprietary notions about children or that all children will be free to enjoy the substance of their rights in every social and institutional context in which they find themselves including and perhaps especially within families this disconnect remains one of the most important challenges to the recognition of children s rights in canada the authors argue that social toxins are as harmful to children s independent welfare and developmental interests as environmental toxins and that both must be eradicated if canada is to fulfill its commitments under the convention they also argue that if canada wishes to ensure the substance of the rights outlined in the convention are socially guaranteed an attitudinal or cultural shift is required concerning the moral and legal status of children this revised expanded and updated edition of the bestselling challenge of children s rights for canada will be of interest to academics policymakers parents teachers social workers and human service professionals indeed to anyone who cares about and for children

includes section book reviews

a wide ranging look at the history of the canadian navy from its beginnings in 18th century exploration and trade to its astonishing expansion during the second world war through to its current roles in operations with united nations and nato forces

this popular textbook offers a thorough and accessible approach to canadian studies through comparative analyses of canada and the united states their histories geographies political systems economies and cultures students and professors alike acknowledge it as an ideal tool for understanding the close relationship between the two countries their shared experiences and their differing views on a range of issues fully revised and updated the second edition of canadian studies in

the new millennium includes new chapters on demography and immigration policy the environment and civil society and social policy all written by leading scholars and educators in the field at a time in which there is a growing mutual dependence between the us and canada for security trade and investment canadian studies in the new millennium will continue to be a valuable resource for students educators and practitioners on both sides of the border

covering a wide range of issues the 22 cases included in case studies in canadian health policy and management constitute an exceptional resource for bringing real life policy questions into the classroom based on actual events the cases have been developed with input from mid career professionals with strong field experience and extensively tested in raisa b deber s graduate case study seminar at the university of toronto each case features both a substantive health policy issue and a selection of key concepts and methods appropriate to examining public policy public health and health care management issues in each case the authors provide a summary of the case and the related policy issues a description of events suggested questions for discussion supporting information and both works cited and further reading suitable for graduate and undergraduate classrooms in programs in a variety of fields case studies in canadian health policy and management is an exceptional educational resource this second edition features all new cases as well as adding an introductory chapter that provides a framework and tools for health policy analysis in canada
