FAQs
1 What is the best way to handle a sensitive issue via electronic communication
Often electronic communication is not the best way
For highly sensitive issues a phone call or faceto face meeting is generally preferred
If electronic communication is necessary be extremely careful with your wording
proofread thoroughly and consider the potential for misinterpretation
2 How can I improve my email response time without feeling overwhelmed
Establish dedicated times for checking and responding to emails rather than constantly reacting to notifications
Prioritize urgent messages and batch similar tasks together
Use filters and folders to organize your inbox efficiently
4 3 How do I deal with someone who consistently sends poorly written or unprofessional emails
Politely address the issue privately
Focus on specific examples and offer constructive feedback rather than criticizing the person directly
If the problem persists escalate the issue to a supervisor or manager
4 Is it ever acceptable to use emojis in professional emails
Generally avoid emojis in formal professional emails
Their use can be perceived as unprofessional or overly casual
However in informal settings with colleagues you know well a carefully chosen emoji might be acceptable but use sparingly
