himself this was more than just a passing interest the stories about brave heroes and hidden riches took him to a world where bravery and daring had no limits when he read or heard these stories his heart would beat faster and his mind would wander to the ends of the world max was always excited by the idea of sailing the huge ocean which held unknown secrets and the promise of adventure in his dreams his mind painted fantastic pictures of strange places dangerous storms and meetings with mythical sea creatures that went beyond the walls of his bedroom max liked the thrill of not knowing what would happen next and he looked forward to the hard times that were coming max s dreams were always drawn to the idea of looking for hidden treasure in his thoughts he saw deserted islands with hard to read maps and hidden vaults full of gems and money he wanted to solve old puzzles and go through dangerous places to find these priceless gems the thought of solving the secrets of the past and getting so rich that he couldn t even imagine it lit a fire in him that grew stronger every day max s love for pirates and the wild seas didn t change as he got bigger he went looking for stories about great pirates and the amazing things they did and he listened to them like a sponge with each story he learned more about the skills and qualities needed to lead a ship and its people max thought that one day he would be in charge of the ship making important choices and leading it to victory max s love of stories about adventure and pirates wasn t just a passing phase it was a big part of who he was the dreams he made up in his head drove him to work hard and set his goals he wished for the day when his dreams would come true and he would be able to sail the high seas look for hidden treasures and act like a real pirate captain in terms of being brave and strong max s adventure had just started but he was already set on a road that would lead him to a life full of adventure discovery and getting what he wanted most max s parents had goals for him that were different from what he really wanted to do they thought that max might go to college or learn a practical job in the future they thought that his interest in pirate stories was just a passing fad that would go away over time but they didn t notice that max s heart was filled with a passionate pirate spirit that was eager to live a life of adventure and discovery max s love of pirate stories didn t go away no matter how hard his parents tried it touched him deeply and started a fire that wouldn t go out his parents wanted him to follow a more traditional road but they had no idea how important and strong max s goals were max felt like he had to be a pirate it was in his blood he couldn t get enough of stories about brave pirates treasure filled journeys and the thrill of the unknown max s folks might have thought it was just a fad but he knew it was a big part of who he was and who he wanted to be max secretly fed his dreams while his parents kept trying to steer him in a different direction not knowing that their child was on fire even though he was proud of his parents goals he couldn t help but want to be a pirate he knew in his heart that a life as a scholar or trader would never meet his desire for adventure on

the high seas every day max's pirate spirit got stronger and spread to every part of his being he ate up books and stories and learned a lot about pirate history and legends he learned how to find his way sail and fight with a sword so he could live the life he thought was meant for him in the middle of a stormy night as the wind howled and the rain fell from the sky a sight appeared in the distance in spite of how bad the storm was a mysterious ship came into being it stood out because of how tall it was and how its black sails and jolly roger flag moved bravely in the storm max watched in amazement as the ship got closer his big eyes were filled with wonder his heartbeat faster and each beat was filled with excitement he felt a rush of energy as the name of the ship the crimson wave lit up in a flash of lightning claire a crew member on the crimson wave had a lot riding on that deadly stormy night she had spent her whole life at sea loving the restless life of a pirate who was always looking for excitement and wealth when the beautiful boat showed up in the middle of the storm it gave her a new sense of purpose claire's skilled eyes looked through the pounding storm and couldn't help but notice how excited max was to see their ship she saw in his eyes that he was both curious and interested it was a spark she knew all too well because it was the same kind of fire that had made her a pirate claire walked up to max and gave him a hand as she talked to him in a voice that was both authoritative and kind she did this because she wanted to teach young people to be brave and try new things ahoy young one have you ever dreamed of sailing the endless seas having exciting adventures and figuring out the mysteries of the unknown her words full of the wisdom of years at sea struck a deep chord with max max said yes to claire's offer because he was excited to explore his new connection and go on a trip he had never thought of she became his teacher and showed him how to be a pirate and how hard it is to sail across the big ocean from the crow's nest to the bottom of the ship's hull they looked at every part of the crimson wave this made max love the ship and its long past max ran towards the bay not afraid of the steady rain that was soaking his clothes or the loud thunder that was going off above him he kept going because he was determined but he didn't know what drove him when he got close to the dock his heart was pounding and his breath was quick a man coming down the ship's gangplank greeted him it was strange to see an old man with scars on his face from a life spent at sea his long gray beard fell down to his chest and his eyes shone with knowledge and life that made him look much younger than he was max's eyes got big as he looked at the stranger in front of him he was surprised and interested by what he saw the old man had a mysterious air about him as if he were carrying the weight of countless stories and tales on his shoulders max walked up his face wet with rain and full of boyish joy he could tell this was a chance like no other max asked who are you with a voice full of wonder and hope the old man's wrinkled face broke into a smile and his eyes showed a hint of mischief i am captain longbeard he said his accent giving

him a rough seafaring look and this he said pointing to the ship behind him is the crimson wave the ship that has sailed the seven seas and faced the fiercest storms max's heart raced when he heard the name of the ship because it sounded like the names of ships in the stories that had captivated him for years he had dreamed about these kinds of things about meeting famous leaders by chance and getting his sense of adventure back when max stood in front of captain longbeard he felt the weight of fate on his young shoulders max talked about his biggest wish with fear and excitement i want to be a pirate he said with a lot of determination in his voice captain longbeard's eyes sparkled with understanding as he looked straight into max's soul ah the spirit of a young adventurer he said with a touch of sadness in his voice it's a dangerous path but it's also full of great discoveries and unimaginable wonders if you're ready to take on the challenges that lie ahead i'll welcome you aboard the crimson wave max's heart soared and in an instant his hopes and dreams merged with reality he gave a firm nod his mind made up at that moment he understood that his life would be tied to the legends and myths of the high seas in a way that couldn't be broken so began max's adventure as a young pirate a journey marked by bravery brotherhood and the pursuit of possibilities that could not be imagined max learned more and more from captain longbeard and the rest of the crew of the crimson wave as each day went by he got good at navigating dangerous seas climbing up and down the ship's rigging and using a cutlass at a time that seemed to go beyond reality an old man's voice ripped through the air and reached max's ears with a clear sense of urgency max turned to face the caller and as he did his heart started to pound the old man was standing in front of him with his hand out trying to get him to come closer his wrinkles showed that he had lived a full life and his words were full of knowledge and experience max couldn't shake the question from his mind are you brave enough to sail the seas and seek adventure the old man asked echoing max's deepest hopes and giving him a thrill at that crucial moment it seemed possible to start a life full of exciting adventures and endless possibilities max's answer was strong and determined and the weight of his goals came through in his voice yes i want to be a pirate he shouted with a passion that left no room for argument max's fate changed in an instant setting him on a path that would change the rest of his life forever the old man's eyes lit up with a mix of laughter and admiration as he watched max's unwavering determination max was able to face the challenges and wonders that met him on the open seas and he could tell that the young boy's spirit of adventure was burning brightly the old man who turned out to be captain longbeard gave max a nod of approval and welcomed him into his world in this world the oceans hold a lot of secrets and endless potential max's heart started to beat faster when he understood how bad things were he was about to go on a trip that would try his strength help him make friends for life and show him how strong and resilient he really was after that max's life was never the

same again the people who once gave him shelter and safety would soon be a faraway memory replaced by the rolling waves and salty air that would always be with him max said goodbye to his old life and stepped bravely onto the deck of the crimson wave a ship that was both a physical representation of his goals and a doorway to the unknown as the crimson wave set sail max found himself surrounded by a group of rough but kind pirates they went on exciting adventures that took them through dangerous waters and made them deal with hard problems max took on the responsibilities that came with his new identity as a pirate he studied the finer points of pirate life like how to raise the sails and look at the stars how to use a sword and how to keep the code of honor that bound the pirates together max s adventures had become real and every day that went by brought him closer to achieving his goals max s growth was helped by the crew of the crimson wave they gave advice and guidance to a young man who had decided to go a different way
