introduction to geography 13th edition by getis and getis introduces college students

to the breadth and spatial insights of the field of geography the authors approach allows the major research traditions of geography to dictate the principal themes they also include information on current events such as the earthquake in haiti chapter 1 introduces students to the four organizing traditions that have emerged through the long history of geographical thought and writing earth science culture environment location and area analysis each of the four parts of this book centers on one of these geographic perspectives

juvenile courts were established in the early twentieth century with the ideal of saving young offenders from delinquency many kids however never made it to juvenile court their cases were decided by a different agency the police cops and kids analyzes how police regulated juvenile behavior in turn of the century america focusing on los angeles chicago and detroit it examines how police saw their mission how they dealt with public demands and how they coped daily with kids whereas most scholarship in the field of delinquency has focused on progressive era reformers who created a separate juvenile justice system david b wolcott s study looks instead at the complicated sometimes coercive relationship between police officers and young offenders indeed wolcott argues police officers used their authority in a variety of ways to influence boys and girls behavior prior to the creation of juvenile courts police officers often disciplined kids by warning and releasing them keeping them out of courts establishing separate juvenile courts however encouraged the police to cast a wider net pulling more young offenders into the new system while some departments embraced child friendly approaches to policing others clung to rough and tumble methods by the 1920s and 1930s many police departments developed new strategies that combined progressive initiatives with tougher law enforcement targeted specifically at growing minority populations cops and kids illuminates conflicts between reformers and police over the practice of juvenile justice and sheds new light on the origins of lasting tensions between america s police and urban communities

in downtown detroit there exists a grand residence built in the venetian gothic style some 130 years ago it stands now in ruins seemingly more comfortable in the company of a lonely castle in the scottish highlands than in the shadow of ford field detroit lions comerica park detroit tigers and joe louis arena detroit red wings though its only occupants for the last 40 years have been crack dealers and the local homeless population its history reflects the length and breadth of the american experience this is its story
