in your relationships does it matter if you and your partner are a giver or a taker are there different types of givers and takers whats the secret to a good marriage how can you save a rocky marriage what is the best way to get counseling and what should you expect from counseling what if a serious psychological disorder is involved in your relationship the authors professional psychologists answer these and many more questions by examining clinical case studies from their counseling practice the authors present an original model that divides both givers and takers into four different types and they use the model to analyze their case studies and illustrate why relationships can succeed or fail they also discuss various personality disorders such as obsessive compulsive narcissistic dependent paranoid borderline and antisocial and how such conditions can complicate treatment of dysfunctional relationships this book is an essential first step for anyone concerned about a relationship or who just wants to learn more about the dynamics of relationships from the perspective of givers and takers

jonas s world is perfect everything is under control there is no war or fear of pain there are no choices every person is assigned a role in the community when jonas turns 12 he is singled out to receive special training from the giver the giver alone holds the memories of the true pain and pleasure of life now it is time for jonas to receive the truth there is no turning back

donating money to modify public thinking and government policy has now taken its place next to service centered giving as a constructive branch of philanthropy many donors now view public policy reform as a necessary adjunct to their efforts to improve lives directly this is perhaps inevitable given the mushrooming presence of government in our lives in 1930 just 12 percent of u s gdp was consumed by government by 2012 that had tripled to 36 percent unless and until that expansion of the state reverses it is unrealistic to expect the philanthropic sector to stop trying to have a say in public policies sometimes it s not enough to build a house of worship one must create policies that make it possible for people to practice their faith freely within society sometimes it s not enough to pay for a scholarship one must change laws so that high quality schools exist for scholarship recipients to take advantage of yet public policy philanthropy has special ways of mystifying and frustrating practitioners it requires understanding of governmental practice interpretation of human nature and some philosophical perspective public policy philanthropists may encounter opponents operating from different principles who view them as outright enemies moreover public policy struggles never seem to end victories one year become defeats the next followed by comebacks then setbacks and on and on this book was written to help donors navigate all of those obstacles it draws on deep history and rich interviews with the very best practitioners of public policy philanthropy in america today whatever your aspirations for u s society and governance this guide will help you find the best ways to make a difference
