the writer has often been asked what is your favorite book of the bible the author at times has had a favorite book but has come to the point where every book in the bible seems important and is now a favorite each book has its own peculiarity as its beauty brings out the truth that no other book perhaps would express all sixty six books are needed for study this work is on the gospel according to st john the apostle john is the writer the human author by inspiration of the holy spirit he is also the writer of the epistles i ii and iii john as well as the great apocalypse the book of revelation a total of five great books the gospel of st john has many themes in it that the synoptic gospels do not have

michael lafargue presents an important and accessible aspect of plato s legacy largely overlooked today a variety of personal spirituality based on reason and centered on virtue plato s virtue forms are transcendent in their goodness ideals that platonists can use to improve character and become

like god so far as is humanly possible lafargue constructs a model of inductive socratic reasoning capable of acquiring knowledge of these perfect virtue forms then scales back claims about these forms to what can be supported by this kind of reasoning this is a critical theory but also a pluralistic one that accommodates modern cultural diversity a how to chapter provides detailed descriptions of the rules of socratic reasoning basic to this spirituality which any interested individual can practice today lafargue supports his interpretation by a close reading of the greek text of key passages in plato s dialogues the work also undertakes a broader philosophical consideration discussing the philosophical foundations proposed for this platonism in relation to the thought of g e moore ludwig wittgenstein martin heidegger friedrich nietzsche and richard rorty

humankind s progress has always been driven by two momentums the pursuit of truth and the creation of value but our understanding of value and our ability to reflect on its complexity has long lagged behind our constant search for truth this has in turn limited our grasp of the essence of truth this book takes philosophical contemplations on value to a new level while also explicating some contemporary chinese styles of philosophical thought over the past 25 years this book has been having an increasing impact on chinese readers and researchers and it also provides a good platform for international dialogue on several key issues of philosophical studies

in a sweeping review of forty truth commissions priscilla hayner delivers a definitive exploration of the global experience in official truth seeking after widespread atrocities when unspeakable truths was first published in 2001 it quickly became a classic helping to define the field of truth commissions and the broader arena of transitional justice this second edition is fully updated and expanded covering twenty new commissions formed in the last ten years analyzing new trends and offering detailed charts that assess the impact of truth commissions and provide comparative information not previously available placing the increasing number of truth commissions within the broader expansion in transitional justice unspeakable truths surveys key developments and new thinking in reparations international justice healing from trauma and other areas the book challenges many widely held assumptions based on hundreds of interviews and a sweeping review of the literature this book will help to define how these issues are addressed in the future

popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better
