following the bestselling the gardener s garden garden expert and historian toby musgrave explores the creative art of garden making through more than 200 elements and features this is the ultimate reference guide with entries ranging from allee and bower to formal native planting and xeriscape each illustrated with examples drawn from historic and contemporary gardens around the world whether tending an english cottage garden or a japanese zen landscape gardeners and garden lovers everywhere will be inspired as never before

the author offers an account of her efforts over the course of a year to restore a victorian garden on the isle of wight

transforming outdoor space is one of the hottest home trends today landscaping expands living space square footage makes a property more usable and keeps homeowners healthier whether they grow vegetables or swim laps it also makes a neighborhood more aesthetically attractive and community minded the garden bible can help homeowners understand the challenges of their outdoor space and what they need to do to create their garden and make it thrive photographed in rich full color this book will teach you how to develop a master plan for your yard many garden books explain how to grow specific flowers care for shrubs trees and lawn and construct fences and hardscape none take a homeowner from the beginning of the process how to ask a professional the right questions how to develop a budget and how to identify and troubleshoot the challenges of their yard

drainage erosion privacy noise wind too much or too little sun or shade the garden bible will help you plan and problem solve so that your garden will grow evolve and be sustainable for years to come few books delve into landscaping style and cost saving solutions as this insightful beautifully illustrated book does barbara ballinger a well known real estate design and garden writer for more than four decades and michael glassman an award winning landscape designer for over 35 years and author of seven books on landscape design and gardening guide you through the process of designing your perfect garden showcasing the stories of how almost 30 home owners designed budgeted and built their landscapes the garden bible shows you that not only is a great garden beautiful to look at but it s also great for the soul

an investigation into early modern gardens gender and writing this study considers not only published literary representations of gardens but also actual garden landscapes and unpublished evidence of everyday gardening practice jennifer munroe here analyzes how writers appropriated the developing gendered tension in gardening that stemmed from a shift from the garden as a means of feeding a family to the garden as an aesthetic object imbued with status

presents the story of the creation of one of the most dazzling and extensive gardens the gardens of versailles this book also features the friendship between louis xiv the creator of the garden and andre le notre the gardener

from the earliest of times people have sought to grow and nurture plants in a garden area gardens and gardeners of the ancient world traces the beginning of gardening and garden history from ancient egypt and mesopotamia to the minoans and mycenaeans greeks etruscans and romans through byzantine islamic and persian gardens right up to the middle ages it shows how gardens in each period were designed and cultivated evidence for

garden art and horticulture is gathered from surviving examples of ancient art literature archaeology actual period gardens that have survived the centuries and the wealth of garden myths associated with certain plants these sources bring ancient gardens and their gardeners back to life and provide information on which plants were chosen as garden worthy their setting and the design and appearance of ancient gardens deities associated with aspects of gardens and the garden s fertility are featured everyone wanted a fertile garden different forms of public and domestic gardens are explored and the features that you would find there whether paths pools arbors and arches seating or decorative sculpture the ideal garden could be like the greek groves of the academy in athens a garden so fine that it was comparable with that of the mythical king alcinoos the paradise contemplated by the islamic world or a personal version of a garden of eden that early christians could create for themselves or in the forecourt of their churches in general books on garden history cover all periods up to the present often placing all ancient gardens in one chapter at the beginning but there is so much of interest to be found in these early millennia generously illustrated with 150 images with plant lists for each period this is essential reading for everyone interested in garden history and ancient societies

the perfect bedside read from the world s best loved best selling writer of the expert gardening books there are times when we simply wish to read about our hobby and not be badgered by advice if you enjoy reading about plants whether or not you can grow them or enjoy discovering gardens you may never visit and could never hope to match or are keen to learn how people gardened in the past and what they have contributed to our gardens today then this is the book for you it includes sections on the great gardeners in history extraordinary and surprising plants remarkable gardens around the world key gardening moments in history the wildlife in our gardens things for the plant lover to do indoors and other this and that trivia statistics and fascinating things you

never knew all illustrated with charming line drawings the bedside book of the garden is a gardening book to be read at leisure which will never tell you that you have to go outside and which will not only make you a better gardener but will open your eyes to the magic of gardening

this book draws attention to the pervasive artistic rivalry between elizabethan poetry and gardens in order to illustrate the benefits of a trans media approach to the literary culture of the period in its blending of textual studies with discussions of specific historical patches of earth the poem and the garden demonstrates how the fashions that drove poetic invention were as likely to be influenced by a popular print convention or a particular garden experience as they were by the formal genres of the classical poets by moving beyond a strictly verbal approach in its analysis of creative imitation this volume offers new ways of appreciating the kinds of comparative and competitive methods that shaped early modern poetics noting shared patterns both conceptual and material in these two areas not only helps explain the persistence of botanical metaphors in sixteenth century books of poetry but also offers a new perspective on the types of contrastive illusions that distinguish the elizabethan aesthetic with its interdisciplinary approach the poem and the garden is of interest to all students and scholars who study early modern poetics book history and garden studies

in 1987 designer dan pearson was commissioned to create a 4 acre garden at home farm the result is an extraordinary series of gardens that are both naturalistic and pioneering in their planting ranging from a woodland garden to a thyme lawn and vegetable garden each area of home farm demonstrates an aspect of gardening familiar to many of us dan pearson charts a year in the life of this magical place immersing the reader month by month in the process of working within a dynamic ever changing medium he details his gardening philosophy and

explores the seasons both practically covering pruning sowing maintenance etc and aesthetically looking at the importance of colour perfume light balance and many other elements within the garden home farm accompanies a major 6 part series to be broadcast on bbc2 in february 2001

great things happen in gardens no one can doubt the importance of the garden in roald dahl s life as it was here where he worked and here that he created james and the giant peach and where would jane austen have been if she had never seen a walk an ornamental lake or a wilderness gardens hold a special place in many author s lives for beatrix potter hill top house was made possible by the new found freedom and wealth that a literary career can bring for sir walter scott laying out his garden at abbotsford was a way of distracting himself from mounting debts in this book of 18 gardens and 20 writers the author examines how the poet writer novelist derived a creative spirit from their private garden how they tended and enjoyed their gardens and how they managed their outdoor space jane austen at godmersham and chawton rupert brooke at grantchester john ruskin at brantwood agatha christie at greenway beatrix potter at hill top roald dahl at gipsy house charles dickens at gad s hill place virginia woolf at monk s house winston churchill at chartwell laurence Sterne at shandy hall george bernard shaw at shaw s corner ted hughes at lumb bank henry james followed by e f benson at lamb house john clare at helpston thomas hardy at hardy s cottage and max gate robert burns at ellisland william wordsworth at cockermouth and grasmere walter scott at abbotsford rudyard kipling at bateman s
