how globalized information networks can be used for strategic advantage until recently globalization was viewed on balance as an inherently good thing that would benefit people and societies nearly everywhere now there is growing concern that some countries will use their position in globalized networks to gain undue influence over other societies through their dominance of information and financial networks a concept known as weaponized interdependence in exploring the conditions under which china russia and the united states might be expected to weaponize control of information and manipulate the global economy the contributors to this volume challenge scholars and practitioners to think differently about foreign economic policy national security and statecraft for the twenty first century the book addresses such questions as what areas of the global economy are most vulnerable to unilateral control of information and financial networks how sustainable is the use of weaponized interdependence what are the possible responses from targeted actors and how sustainable is the open global economy if weaponized interdependence becomes a default tool for managing international relations

a fortnightly bulletin on financial and political trends

this volume draws upon social science and historical approaches to provide insights into the world of women s football and female fans it

gives an in depth analysis of the development of the women s game in different european countries and examines the experiences of female fans an overview about women s football in europe shows the rise and development of the game and the increasing inclusion of girls and women in football and fan communities to date there has been a lack of research on female participation in football but drawing on research studies from various european countries the volume explores a range of issues including how girls and women become football fans and players how women combine football with their everyday lives and how they may encounter stereotypes and barriers when they challenge male dominance by entering this traditionally male sport this collection will be of interest to students and scholars in a range of fields including sports sociology sport sciences gender studies leisure studies women s studies as well as fandom and cultural studies

a presentation of the key debates about globalisation linking them with the growing related discussion of the possible development of global democracy a valuable textbook and resource for students of international relations politics
