the oxford handbook of care in music education addresses multiple conceptualizations of caring relationships in music education principal themes of the handbook include philosophical perspectives on care and music education co creating caring relationships caring for wellbeing and human flourishing and care social activism and critical consciousness the essays highlight the essence of authentic relationships and shared experiences between teachers and learners extending previous conceptions of care to meet the needs of contemporary music learners and the teachers who care for about and with them

publication is an act of power it brings a piece of writing to the public and identifies its author as a person with an intellect and a voice that matters because nineteenth century black americans knew that publication could empower them and because they faced numerous challenges getting their writing into print or the literary market many published their own books and pamphlets in order to garner social political or economic rewards in doing so these authors nurtured a tradition of creativity and critique that has remained largely hidden from view bryan sinche surveys the hidden history of african american self publication and offers new ways to understand the significance of publication as a creative reformist and remunerative project full of surprising turns sinche's study is not simply a look at genre or a movement it is a fundamental reassessment of how print culture allowed black ideas and stories to be disseminated to a

wider reading public and enabled authors to retain financial and editorial control over their own narratives

daring to care with music education offers a practical resource and reflective guide for music educators seeking to support their students motivation and musicianship through intentional connection and care as an instrumental clinician and the editor of the oxford handbook of care in music education 2023 karin s hendricks provides research based strategies for music teachers to strengthen their pedagogy and their students success drawing on the work of more than seventy music teachers and scholars this book considers a variety of topics including the role of care in music teaching effective and appropriate forms of care co creating caring relationships caring and musical development caring with musical expressions caring with identity expressions caring to change the world and caring for wellbeing and human flourishing several successful music teachers are spotlighted throughout the text who share their secrets as well as their vulnerabilities when caring for about and with music students daring to care provides a variety of approaches to help music teachers engage and connect with music students of all ages and stages emphasizing the courage curiosity creativity and vulnerability needed to reach beyond the protective barriers of a content only approach into the unpredictable and nuanced space of authentic connection

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873
