it was a dream come true for every england rugby fan when the whistle blew in sydney to signal the end of the rugby world cup final in 2003 a long campaign which began almost directly after the previous world cup in 1999 had culminated in one of the most tightly fought contests and it provided the most dramatic of finales but while england relish that achievement one should not forget that there have been many memorable matches down the years since 1871 when an england rugby union team first took to the field some have even passed into sporting folklore such as the legendary 13 0 victory over new zealand in 1936 which was characterised by prince alexander obolensky s marvellous brace of tries or the breathtaking roller coaster ride of the 26 26 draw with the all blacks in 1977 england the official rfu history takes readers right back to the very origins of the game from the time that william webb ellis caught the ball and ran with it at rugby school and leads them through a history that is rich with great sporting moments and memorable characters it follows the highs and lows of successive teams as they have suffered defeats and near misses and battled their way to successes in the five and six nations tournaments gloriously illustrated with many exclusive archival photographs and memorabilia from the rfu s museum at twickenham this fascinating book also includes an a z of some of the greatest players ever to have pulled on the white shirt of england as well as full statistics for every game that england has played right up to the end of the six nations contest of 2004 whether you are a fan of long standing or one who has been attracted by the passion of recent times england the official rfu history is a must have addition to any true england rugby fan s bookshelf

the game of rugby has changed significantly in the course of its history in the early part of the 19th century it evolved from a folk game played by the working class to a recreational activity for public schoolboys from the 1820s rugby represented an opportunity for gentlemen to demonstrate physical prowess and masculinity and in more recent times it has developed into an activity that reflects the changing attitudes towards professional sport for the most part of the last one hundred years rugby union became an important international sport that represented the nationalistic ideals of a number of countries however a number of developments including the increasing influence of a business ethos within sport during the latter decades of the twentieth century exposed rugby union to the realities of commercialism and all the factors associated with it especially the demands of a more diverse spectating public drawing on interview material with forty eight elite level rugby union players from england wales scotland france ireland south africa new zealand and australia who participated in elite level rugby union either before in the overlapping period or after the declaration of professionalism this book traces the evolution of attitudes towards professionalism from a players perspective and develops a critical review of the impact that professionalism has had upon the sport of rugby union rugby union and professionalisation elite player perspectives is fascinating reading for all students and scholars with an interest in rugby union sport history sport policy sport management and the sociology of sport

a history of bath rugby football club 1865 1965

since its first publication rugby's great split has established itself as a classic in the field of sport history drawing on an unprecedented range of sources this deeply researched and highly readable book traces the social cultural and economic divisions that led in 1895 to schism in the game of rugby and the creation of rugby league the sport of england's northern working class tony collins analysis challenges many of the conventional assumptions about this key event in rugby history about class conflict amateurism in sport the north south divide violence on the pitch the development of mass spectator sport and the rise of football this new edition is expanded to cover parallel events in australia and new zealand and to address the key question of rugby league's failure to establish itself in wales rugby's great split is a benchmark text in the history of rugby and an absorbing case study of wider issues issues of class gender regional and national identity and the impact of the commercialization and recent professionalization of rugby league this insightful text is for anyone interested in britain's social history or in the emergence of modern sport it is vital reading

the official definitive pictorial history of twickenham and the england national team published to coincide with the build up to the rugby world cup 2015

the rugby football union's guide to the importance of fitness in the game and the best ways to achieve necessary fitness levels it includes sections on structuring a fitness programme endurance strength speed flexibility fitness work with the ball nutrition and diet and fitness testing
