memoir about growing up black in white middle class australia

this provocative and timely volume examines the activity of seeking justice through literature during the age of revolutions from 1750 to 1850 a period which was marked by efforts to expand political and human rights and to rethink attitudes towards poverty and criminality while the chapters revolve around legal topics they concentrate on literary engagements with the experience of the law revealing how people perceived the fairness of a given legal order and worked with and against regulations to adjust the rule of law to the demands of conscience the volume updates analysis of this conflict between law and equity by drawing on the concept of epistemic injustice to describe the harm done to personal identity and collective flourishing by the uneven distribution of resources and the wish to punish breaches of order it shows how writing and reading can foment inquiries into the meanings of justice and equity and aid efforts to humanise the rule of law

the book was awarded the 2011 nca franklyn s haiman award for distinguished scholarship in freedom of expression this book sets out to explore how hate comes alive in language and actions by examining the nature and persuasive functions of hate in american society hate speech may be used for many purposes and have different intended consequences it may be directed to intimidate an out group or to influence the behavior of in group members but how does this language function what does it accomplish the answers to these questions are addressed by an examination of the communicative messages produced by those with hateful minds beginning with an examination of the organized hate movement the book provides a critique of racist discourse used to recruit and socialize new members construct enemies promote valued identities and encourage ethnviolence the book also examines the strategic manipulation of hatred in our everyday lives by politicians political operatives and media personalities providing a comprehensive overview of hate speech the book ends by describing the desirable features of an anti hate discourse that promotes respect for social differences
