of truth and you have to decide now will you take the red pill and reject to be  
prisoned in the matrix like all the other people in order to walk on your own path or

will you take the blue pill and stay in the comfortable simulated reality of the matrix like all the other silent and obedient millions of people in other words will you reject the chance of building your own life and walking on your own path easily yes this is just up to you every single human being is unique and equipped with different abilities each single person has his own way his own project and his own mission in this world all you need to do is to think and find that project of your own one man s life cannot be simply consisted of eating drinking sleeping populating the world gathering wealth and prosperity and just living among the given boundaries your life should have a more significant purpose and you are probably meant for something bigger you should get rid of your mood being unhappy for the weekdays but just happy for the weekend waiting for weekend holiday or retirement to live is big nonsense in fact you are continuously postponing your life without being aware of that as if you have an evidence for more enough time to come you prefer to define your happiness under specific circumstances and most of the time postpone your happiness instead of living the moment however the happiness or unhappiness is actually in your hands now move on get into action and stop postponing yourself and your life take a step today or even right now otherwise pour tears after 5 or 10 years for your time and dreams which you could not make come true crash your head on the walls as you haven t done anything about what you could whine to your close friends get sad listen to melancholic music complain about the time which is passing so fast continue to postpone your goals and dreams to the next years if you really want to be successful then for sure you will be you are the only one who can prevent yourself being as successful as in your dreams means you are the only who can stop you
