fans of Casey McQuiston, Alexis Hall, and Meryl Wilsner will fall for this sweetly sexy, gloriously relatable sapphic rom-com about self-improvement, chasing your dreams, and writing your own Hollywood love story from the acclaimed author of *For Her Consideration*. Max van Doren has a wish list and a great career, and a girlfriend, but despite being pretty good at her job as an assistant to one of Hollywood's fastest rising talent agents, she has no idea how to move up the ladder, and when it comes to her love life, she's stuck in perpetual lust for an adorably perfect bartender named Sadie. Her goals are clear, and Max has everything but the self-confidence to go for them; even her mother seems to assume she'll be crawling home to her childhood bedroom at some point. When Max's roommate, Chelsey, an irritatingly gorgeous and self-assured influencer in plus-size and queer spaces, offers to sponsor her for a new self-actualization app, Max gives in. If she can't run her own life, maybe an algorithm guiding her choices will help. Suddenly, Max is scoring big everywhere, and her dreams are achingly close to coming true. But when one of Chelsey's posts reveals Sadie's part in the app's campaign, Max is poised for heartbreak on all fronts. Tired of the sponcon life with its fake friends and endless selfies, Max realizes that to have true influence, she'll have to find the courage to make her own, totally authentic way in the world. Fresh, feel-good, and endlessly relatable, here is a glorious love story for the digital age and beyond.
