an epic tale of magic and warriors of flawed human beings overcoming adversity and personal demons to do what must be done eons ago magic users were unguided and undisciplined there were those that applied magic intelligently those that were unscrupulous and worst of all the amateurs magic ran rampant in the land those pure of heart came together to form a standard of discipline they formed the crystal into which the hearts minds and souls of hundreds eventually thousands gave their special talents those powerful from the beginning corrupted by the black arts coveted the power of the crystal and would try again to posses it their previous attempt thwarted but that battle used powers beyond control and the effects were devastating crystal warriors scarred by that battle were scattered throughout the land but now the call goes out for their return the crystal is under

attack the need is urgent principal among those crystal warriors are tarina known as awiel of the dance a beautiful veil dancer crystal seeress and wicked with a blade far away in the southern lands rowan former captain psychically scarred hiding far away in a place where there is little magic disguised as an old man selling firewood macon a drunken sot who must pull himself together to become the powerful crystal warrior he once was naomi tarina s fierce warrior woman companion speechless by choice until she finds the man who killed the crystal seeress mistress she was sworn to protect and brutalized her they and many others are forever attuned to the crystal and hear its call they must heed the call and travel thousands of perilous miles to do battle with overwhelming forces an epic tale of magic and warriors but more importantly of flawed human beings overcoming adversity and personal demons to do what must be done this epic fantasy will leave you wanting more don t miss it reviews i love these characters what makes this a fun read is the slightly flawed good guys the babes with beauty brains and brawn and the magical characters thisrena and ith the thnake that thpeaks with a lithp recommended reading j d king this is a good story full of magic and some very surprising characters and twists charming and mysterious characters magical creatures and not so perfect foes make this a fun read patricia hamill on goodreads i was intrigued with the story from the very beginning r l kiser has written chapter one so deftly to reel in readers curiosity to keep reading characterization is superb both heroes and villains have flaws which also lead to humorous moments the way the plot is developed is fresh coupled with unpredictable and interesting twists kiser s flawless writing style helps keep the plot tight throughout the story as well as maintain a good pacing on the whole a satisfying read and a great start for a series lit amri for readers favorite

without the invention of the transistor i m quite sure that the pc would not exist as we know it today bill gates on december 16 1947 john bardeen and walter brattain physicists at bell laboratories jabbed two electrodes into a sliver of germanium the power flowing from the germanium far exceeded what went in in that moment the transistor was invented and the information age was born no other devices have been as crucial to modern life as the transistor and the microchip it spawned but the story of the science and personalities that made these inventions possible has not been fully told until now crystal fire fills this gap and carries the story forward william shockley bell labs team leader and co recipient of the nobel prize with brattain and bardeen for the discovery grew obsessed with the transistor and went on to become the father of silicon valley here is a deeply human story about the process of invention including the competition and economic aspirations involved all part of the greatest technological explosion in history the intriguing history of the transistor its inventors physics and stunning impact on society and

the economy unfolds here in a richly told tale science news thoroughly accessible to lay readers as well as the techno savvy a fine book publishers weekly
