in wayfarer migel jayasinghe invites readers on a lyrical journey through the landscapes of

memory identity and retirement from the bustle of london and the serenity of southern spain to the childhood shadows of sri lanka jayasinghe s poems evoke a life lived across cultures and continents with wit candour and a sharp eye for detail these poems traverse personal milestones and global events reflecting on the beauty of nature the absurdities of politics and the mysteries of belief whether writing about the olympics childhood nostalgia the pace of modernity or simply sipping wine on a sunny terrace the poet captures the human condition with humility and warmth structured across a wide array of poetic forms from clerihews to sestinas haiku to villanelles wayfarer is both accessible and intellectually engaging it is a collection that honours the power of words and the quiet joys of daily life perfect for lovers of reflective socially engaged poetry this book will appeal to anyone who has ever paused to question to remember or to simply sit in the sun and write about migel jayasinghe emigrated from ceylon sri lanka to the uk in 1963 completed a ba hons in psychology at goldsmiths college 1968 1971 followed by work as a research assistant at the industrial training research unit cambridge 1973 1974 from 1975 to 1978 worked as an occupational psychologist at the educational and occupational assessment service in lusaka zambia later earned an m sc in occupational psychology from birkbeck college 1981 1982 then joined the manpower services commission as an occupational psychologist eventually promoted to higher psychologist from 1996 to 2001 served as senior occupational psychologist with royal british legion industries until retirement published counselling in careers guidance with open university press in 2001 the japanese translation was released in 2004 creative writing has been a lifelong hobby taken up more seriously after retirement while living as an expatriate in spain 2005 2020 returned to the uk following brexit

this book investigates the relationships between economies of scale in food consumption and a number of socio economic and demographic characteristics of households and household behavioural choices since food is the major share of household expenditure for poor households the characteristics considered comprise household size location income and gender of the head of household while the behavioural choices considered comprise the decision to consume home grown food and the decision to adopt domestic technology to aid food preparation and consumption the book proposes two theoretical models to rationalize the role of the consumption of home grown food and the adoption of domestic technology in enhancing economies of scale in food consumption econometric models are also used to empirically test the validity of the two theoretical models while adjusted poverty estimations are derived

numerically using the estimated equivalence scales although data used in applying these techniques are based on four household income and expenditure surveys conducted by the department of census and statistics dcs in sri lanka the methodology can be used for similar analysis in relation to any other country

a wide ranging review and a welcome affirmation of the importance of counselling in career guidance professor tony watts director of the national institute for careers education and counselling by contextualising counselling in careers guidance historically within its theoretical and institutional settings both in britain and elsewhere migel jayasinghe allows us to recognise its significance for society as well as for the individual audrey collin professor of career studies de montfort university at last we have a text which deals head on with issues at the heart of careers policy and practice jayasinghe traces and discusses the ambivalence resistance often blatant hostility to the self evident truth that a counselling approach to careers practice is crucial to ensure positive outcomes for clients jenny bimrose head of centre for training in careers guidance university of east london making the right career choice has a profound impact on our lives it influences our welfare our sense of well being and our state of mind this book offers a thorough introduction to the principles and concepts of career development and shows how theoretical ideas can be put into counselling practice it explores the major influences on careers counselling today and examines the historical development of the field the book ends with a look at the future development of career guidance and offers some helpful strategies for change counselling in careers guidance will be a useful resource for experienced advisers and trainees in the careers service and those offering careers guidance in a range of professional settings
