imagining care brings literature and philosophy into dialogue by examining caregiving in literature by contemporary canadian writers alongside ethics of care philosophy through close readings of fiction and memoirs by margaret atwood alice munro michael ignatieff ian brown and david chariandy amelia defalco argues that these narratives expose the tangled particularities of relations of care dependency and responsibility as well as issues of marginalisation on the basis of gender race and class defalco complicates the myth of canada as an unwaveringly caring nation that is characterized by equality and compassion caregiving is unpredictable one person s altruism can be another s narcissism one s compassion another s condescension or even cruelty in a country that conceives of itself as a caring society these texts depict in stark terms the ethical dilemmas that arise from our attempts to respond to the needs of others

william sharon was one of the most colorful scoundrels in the nineteenth century mining west he epitomized the robber barons of the nation s gilded age and the political corruption and moral decay for which that period remains notorious yet he was also a visionary capitalist who controlled more than a dozen of the greatest mines on nevada s mighty comstock lode built the virginia truckee railroad manipulated speculation and prices on the san francisco stock exchange and revived the collapsed bank of california one enemy called him a thoroughly bad man a man entirely void of principle while a comstock neighbor called him one of the best men that ever lived in virginia city both descriptions were reasonably accurate in this first ever

biography of one of nevada s most reviled historical figures author michael makley examines sharon s complex nature and the turbulent times in which he flourished arriving in san francisco shortly after the gold rush began sharon was soon involved in real estate politics banking and stock speculation and he was a party in several of the era s most shocking business and sexual scandals when he moved to virginia city nevada s mushrooming silver boomtown his business dealings there soon made him known as the king of the comstock makley s engaging and meticulously researched account not only lays bare the life of the notorious but enigmatic sharon but examines the broader historical context of his career the complex business relationships between san francisco and the booming gold and silver mining camps of the far west the machinations of rampant gilded age capitalism and the sophisticated financial and technological infrastructure that supported virginia city s boomtown economy the infamous king of the comstock offers a significant fresh perspective on nevada and the mining west

beginning in the early 1980s readers advisory services were a widely discussed topic in north american public libraries by 2005 almost every public library in the united states and canada offered some form of readers advisory service the services offered have changed significantly in ways perhaps disadvantageous to adult north american library patrons this book provides a critical history of readers advisory philosophy and offers a new perspective on the evolution of the service the book analyzes the debate that shaped readers advisory and discusses how the service has assumed its present form the study follows readers advisory through its three prominent stages of development beginning with the period 1870 to 1916 when the service was still a subject of much crucial debate about its meaning and purpose during the second phase 1917 to 1962 readers advisory systematically committed itself to meaningful adult education through serious and purposeful reading the book argues however that during the most recent phase of readers advisory from 1963 until the present contemporary public libraries have turned their backs on the rich heritage of readers advisory services by valorizing the reading of entertainment oriented and commodified genre titles and bestsellers historical analysis case studies and statistical charts augment the book s central argument
