and embodies so many aspects of spirituality that's what I enjoyed the most about it. It's different because of that everything around spirituality books usually focus on only one or two areas. I think back to that time when I was desperately seeking answers and had no one around me to ask or talk to about this. If your book would have been available, wow, a game changer. I can't tell you how many books I've read, especially when I was desperately seeking out everything and anything that talks about universal beliefs. All of it, many things were well, a waste of time. Then I would find a book which is a gold nugget that's what makes your book amazing. You've covered so many things around this that even if only a few things resonate with a reader, you've given that person a trail and a path to follow. It will lead them to go and open more doors. Beta reader, this is a great read. I loved that it had little nuggets of information on many areas of spirituality. The author was open-minded. It's a wonderful book to grab and explore. Amazon review: wow, I can't put this book down. Such a great read. Amazon review: I stumbled across this book by mere coincidence, although there is no such thing. While scrolling through TikTok, there were so many books. Tokens to try the book out, and I am so glad I did. The insight in his own spiritual journey, which reflects somewhat so much with my own, and explains so much in how I'm feeling and how to accept the process. Fantastic.
