the birth of god s united black nation in white america the last chapter by charles j cook the birth of god s united black nation in white america the last chapter is about god s united black nation in white america financially establishing independence and securing themselves as a free united black nation in america and in the world uniquely closing the book of the individual black experience in white america this last chapter symbolizes freedom and the opening of a new book for future chapters to be written about a united black nation

arranged alphabetically from alice of dunk s ferry to jean childs young this volume profiles 312 black american women who have achieved national or international prominence

with more than 240 primary sources this introduction to a complex topic is a resource for student research

americans are feeling insecure they are retreating to gated communities in record numbers fearing for their jobs and their 401 k s nervous about their health insurance and their debt levels worrying about terrorist attacks and immigrants in this innovative volume editors hugh gusterson and catherine besteman gather essays from nineteen leading ethnographers to create a unique portrait of an anxious country and to furnish valuable insights into the nation s possible future with an incisive foreword by barbara ehrenreich the contributors draw on their deep knowledge of different facets

of american life to map the impact of the new economy the war on terror the war on drugs racial resentments a fraying safety net undocumented immigration a health care system in crisis and much more in laying out a range of views on the forces that unsettle us the insecure american demonstrates the singular power of an anthropological perspective for grasping the impact of corporate profit on democratic life charting the links between policy and vulnerability and envisioning alternatives to life as an insecure american

the twenty three contributors to this volume show that despite racism black americans have independently developed their own cultural strengths which can help revitalize and support the black community the book is divided into four parts 1 the movement 2 racial exclusiveness and denial the results 3 black culture and 4 black action part i assesses the civil rights movement its successes and failures part ii provides new appraisals of old subjects which have undergone considerable change via the black revolution part iii proposes new means of viewing the vitality of african american culture part iv contains a number of polemic discussions and proposals of new strategies for black community organization and revitalization adapted from editorial review in eric 1970

in this volume twelve authors take a challenging new look at the south departing from the issue that has lately preoccupied observers of the south the region s waning cultural distinctiveness the contributors instead look at the dynamics of the region s long troubled relationship with the rest of the nation what they discover allows us all to view the current state and future course of the south as well as its link to the broader culture and polity in a new light to envision the concept of the problem south and what it means to those within and without the region six historians have joined together with a sociologist an economist two literary scholars a legal scholar and a journalist their essays which range in subject from the south s climate to its religious fundamentalism to its great

outpouring of fiction and autobiography are the products of strong and independent minds that cut across disciplines disagree among themselves blend contemporary and historical insights and confront conventional wisdom and expedient generalities although consensus among the contributors was never the goal of this collection some common themes do suggest themselves above all there is not only a south defined by its geography history and society but also a mythic and metaphoric south one continually refashioned by national regional discourse trends and events in addition the south has long been a mirror in which america has viewed itself the nation has sought time and again to change the region but it has also used the south to expose and modify darker impulses of american culture

in the fall of 1968 during a time of intense protest and racial polarization a married pair of white journalists set out on a two year odyssey across america to document black americans telling their own stories from civil rights leaders to students musicians community organizers police officers hustlers teachers pastors activists and other everyday people chronicling their turbulent times in their own voices
