law note pyq code of criminal procedure crpc

this book is written with the object of demystifying the law relating to domestic violence in india domestic violence is a complex phenomenon but this book looks at the issue with the integrated approach and attempts to address it from its multidimensional perspectives it puts together the social psychological and legal dimensions of domestic violence issues in a comprehensive manner it also explains the gamut of the protection of domestic violence act of 2005 in detail the information is written in simple question and answer form and seeks to dispel the myths and taboos surrounding the issue of domestic violence

india is a country having strong cultural foundation and high moral values marriage matrimonial relationship or wedlock in india has secured a sacred place and it is a general conception that marriage is a heavenly creature which is celebrated on earth in india marriage is a sacred bonding between two heterogeneous persons by which kinship is created and mutual rights and obligations are generated by this relationship it is also a general conception that cohabitation between man and woman can only be done through bonding of marriage and for cohabitation no other relationships is allowed between them marriage is a divine concept which has been practiced since ages interpersonal relationships which are generally intimate and sexual in nature are acknowledged by the marriage it is also a social obligation to keep a man and woman together and since a woman is considered to be the better half of man so many of the rituals are considered to be incomplete unless it is to be performed by both husband and wife together hence in addition to be a social obligation it is very much customary in nature also and necessary for the strengthening and progress of society apart from imposing family obligations marriage also provides legal shield to the children and it is a public declaration regarding the legitimacy of the children

divorcing traditions is an ethnography of islamic legal expertise and practices in india a secular state in which muslims are a significant minority and where islamic judgments are not legally binding katherine lemons argues that an analysis of divorce in accordance with islamic strictures is critical to the understanding of indian secularism lemons analyzes four marital dispute adjudication forums run by muslim jurists or lay muslims to show that religious law does not muddle the categories of religion and law but generates them drawing on ethnographic and archival research conducted in these four institutions ngo run women s arbitration centers mahila panchayats sharia courts dar ul qazas a muslim jurist s authoritative legal opinions fatwas and the practice of what a muslim legal expert mufti calls spiritual healing divorcing traditions shows how secularism is an ongoing project that seeks to establish and maintain an appropriate relationship between religion and

politics a secular state is always secularizing and yet as lemons demonstrates the state is not the only arbiter of the relationship between religion and law religious legal forums help to constitute the categories of private and public religious and secular upon which secularism relies in the end because muslim legal expertise and practice are central to the indian legal system and because muslim divorce s contested legal status marks a crisis of the secular distinction between religion and law muslim divorce argues lemons is a key site for understanding indian secularism

providing the english reader with an introductory guide to the major aspects of islamic law this text places particular emphasis on the tensions between muslim and english law it discusses the sources of islamic law family inheritance and contract and commercial law

this collection commemorates fifty years of the indian supreme court through reflections on history of constitutional development in india by a range of judges lawyers and scholars
