juan tamariz is considered worldwide as a true master of his art five of his critically acclaimed best selling books have been translated into english the five points in magic the magic way sonata verbal magic and mnemonica among magicians one of the things juan tamariz is most recognized for is his trailblazing work with the memorized deck his personal

stack which he named mnemonica is a seemingly random arrangement of cards that has miracle properties built into it many magicians have avoided adding memorized deck work to their repertoires because of the daunting task of committing a stacked deck to memory it was the same way until a harry anderson manuscript got me to thinking about how to make this process easier pms my peg memory system was born suddenly i found that it was not only easy but also fun to commit a memorized deck arrangement to memory using the pms system in this book it took me only an hour to commit a memorized deck stack to memory in the pages of mnemonica for everybody you will find a streamlined graphical method for easily and quickly learning the tamariz stack btw this same technique works great for every memorized stack out there including memorized deck stacks by simon aronson martin joyal laurie ireland nikola and others note there are no actual magic tricks taught in this manuscript this manuscript is merely a tool for learning one of the most popular memorized deck configurations in the history of magic please refer to the writings of tamariz aronson michael close pit hartling and others for the many uses of this incredible tool see pages 68 69 inside for a free gift

building on the strengths of the first edition the second edition of latin american classical composers a biographical dictionary presents expanded and updated coverage of its topic with an aim to be comprehensive the authors have conducted exhaustive research to fill in gaps and correct minor errors in the first edition adding young composers and documenting deaths since 1996 when the first edition appeared hundreds of composers are represented in this volume which presents biographical data including dates of birth and death personal information about composers background and training and a selective listing of each composer s works sources for further study are noted within each entry an index of composers by country rounds out this work

lobby lenses a new approach on influence excellence what can the timing of a concert the precision of a swiss watch the creativity of a cocktail a magician s trick and the storytelling of a film teach us about the practice of institutional and governmental relations dr rodrigo navarro an executive and academic with 30 years of experience brings a fresh perspective on lobbying this innovative book utilizes multidisciplinary lenses magic music mixology horology and performing arts to unveil lobbying as a science of influence and an art of human connection you will learn to master essential clusters for success at this arena emotion and engagement create impact and resonance to go beyond the facts precision and timing know the exact moment to act personalization and reputation adapt strategies and build your reputational legacy hybrid skills combine technical expertise with personal skills lobby lenses is a guide for professionals seeking excellence ethics and a new strategic perspective to shape the political and regulatory environment the future of influence begins here

now in its third edition latin american classical composers a biographical dictionary provides a singular english language resource for biographical information on hundreds of composers from central and south america and the hispanic caribbean painstakingly gathered from a wide variety of sources the information updates and expands previous editions and fills in the gaps left by the other major english language music dictionaries and encyclopedias entries provide biographical data comprising full names birth and death dates and locations background education and training as well as selective works lists more than 2 300 composers an index of composers by country and women composers of latin america complement the volume an essential part of any music library latin american classical composers is an invaluable reference for librarians musicologists ethnomusicologists researchers and music students
