significant progress has been made in haiti to safeguard macroeconomic stability after the january 2010 earthquake however the pace of the reconstruction has been slow and the business environment remains unattractive further development and strengthening social safety nets are essential the monetary policy stance is appropriate and continuing commitment to exchange rate flexibility is appreciated improving the business environment is important to raise productivity enhance competitiveness and achieve higher and more inclusive growth

considers legislation to abolish war dept and navy dept to unify military departments within a new department of common defense and to establish a national security resources board

tracing the u s government s efforts to shape the armed forces of mexico central america and the caribbean from 2000 to 2014 this narrative concentrates on the army but also discusses air force and naval forces including the marines and the coast guard police forces in those regions are also covered mexico s ongoing struggle with drug cartels is discussed extensively venezuela and cuba receive considerable attention this study is the first to examine in detail the armed forces of countries such as the dominican republic and jamaica sections on haiti and panama countries supposedly without armies reveal the decisive role the u s has played in determining their military policies the text weaves the histories of these armed forces into the broader context of the politics economics and international relations in the region a clear and brief introduction to the relations of mexico central america and the caribbean with the united states is provided

describes the dominican people their customs economy history and their contributions to american culture

together haiti and the dominican republic fo rm the island of hispaniola with easy cross border travel this guide is aimed at both the independent traveller and th e adventurous package tourist providing all the necessary p ractical information

sport development and sport for development in the caribbean offers a unique focus on the caribbean context to examine issues related to sport development and sport for development across a range of caribbean countries that include cuba the dominican republic haiti jamaica martinique and trinidad and tobago

the island of hispaniola is split by a border that divides the dominican republic and haiti this border has been historically contested and largely porous dividing hispaniola is a study of dominican dictator rafael trujillo s scheme during the mid twentieth century to create and reinforce a buffer zone on this border through the establishment of state institutions and an ideological

campaign against what was considered an encroaching black inferior and bellicose haitian state the success of this program relied on convincing dominicans that regardless of their actual color whiteness was synonymous with dominican cultural identity paulino examines the campaign against haiti as the construct of a fractured urban intellectual minority bolstered by international politics and u s imperialism this minority included a diverse set of individuals and institutions that employed anti haitian rhetoric for their own benefit i e sugar manufacturers and border officials yet in reality these same actors had no interest in establishing an impermeable border paulino further demonstrates that dominican attitudes of admiration and solidarity toward haitians as well as extensive intermixture around the border region were commonplace in sum his study argues against the notion that anti haitianism was part of a persistent and innate dominican ethos

the introduction to this report focuses on the expulsion of haitians and dominico haitians from the dominican republic between the months of june and september 1991 coercive labour practices on sugarcane plantations progress since the 1991 harvest and the stance of the united states the first section of the report deals with forced repatriations including the presidential decree 233 91 which promised reforms in the treatment of sugarcane workers the arbitrariness of expulsions the failure to recognize dominican citizenship and the widespread abuses during roundups of haitians individual case studies are presented of the abuses as well as information on detention centres and testimony of deportees the report then examines forced recruitment at the border and in haiti individual case studies are again used a separate section of the report concerns forced labour the report argues that the practices of restriction of freedom of movement confiscation of personal belongings and detention and physical mistreatment combined to form a system of coercion that continued to underlie the state sugar industry in 1992 the report states that the dominican government continues to reject and to try to discredit international criticism of its human rights practices the report defends many of the criticisms put forward by the dominican government against americas watch and the national coalition for haitian refugees the final section of the report deals with us policy and the decision of the administration to maintain trade benefits to the dominican republic the attitude of the us state department and the us congress towards the dominican labour practices are also evoked the report concludes with various recommendations for the dominican government

in we dream together anne eller breaks with dominant narratives of conflict between the dominican republic and haiti by tracing the complicated history of dominican emancipation and independence between 1822 and 1865 eller moves beyond the small body of writing by dominican elites that often narrates dominican nationhood to craft inclusive popular histories of identity community and freedom summoning sources that range from trial records and consul reports to poetry and song rethinking dominican relationships with their communities the national project and the greater caribbean eller shows how popular

anticolonial resistance was anchored in a rich and complex political culture haitians and dominicans fostered a common commitment to caribbean freedom the abolition of slavery and popular democracy often well beyond the reach of the state by showing how the island s political roots are deeply entwined and by contextualizing this history within the wider atlantic world eller demonstrates the centrality of dominican anticolonial struggles for understanding independence and emancipation throughout the caribbean and the americas publisher s description

this report aims to cast light on the conditions experienced by often invisible minority migrant workers in the caribbean looking at established patterns and newer forms of migration it examines the continuing plight of haitian cane cutters in the dominican republic as well as the situation of those employed in other sections of the economy exploring further dimensions of the haitian diaspora it assesses the growing controversy surrounding many thousands of people born in the dominican republic but denied dominican citizenship the author james ferguson also considers how and why a significant number of dominicans escape their own country in search of a better life the report concentrates on the island of hispaniola shared between haiti and the dominican republic for the issue of migration is most acute and controversial here but also considers less known migrant experiences in the caribbean back cover

imagined island history identity and utopia in hispaniola
