rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation the average listener may be unaware of the many links between rock music and the classics one might remember a few examples such as walter murphy s chart topping a fifth of beethoven or eric carmen s all by myself but pass them off as interesting anomalies however the influence of the classics on rock music is pervasive

and grows from a long line of precedents this second supplement to janell r duxbury s original 1985 discography rockin the classics and classicizin the rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists in these examples the musical style varies from strict classical interpretations to pop style orchestral renditions the second supplement then expands duxbury s original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works an extended list of selected non rock background examples is included in several new appendixes the preface is updated a general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles with its incomparable scope and content this supplement together with duxbury s previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics

this text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day
