in the wake of the covid 19 pandemic the need to re establish the labour movement s political capacity to exert collective power in ways that foster greater opportunity and equality for working class people has taken on a greater sense of urgency understanding the strategic political possibilities and challenges facing the canadian labour movement at this important moment in history is the central concern of this second edition of rethinking the politics of labour in canada with new and revised essays by established and emerging scholars from a wide range of disciplines this edited collection assesses the past present and uncertain future of canadian labour politics in the wake of the covid 19 pandemic bringing together the traditional electoral based aspects of labour politics with analyses of newer and rediscovered forms of working class organization and social movement influenced strategies which have become increasingly important in the canadian labour movement this book seeks to take stock of these new forms of labour politics understand their emergence and assess their potential impact on the future of labour in canada

in the second edition of this remarkable and comprehensive anthology many of canada s leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about canadian identity thoroughly updated this new edition features twenty six new chapters on topics including indigenous kinship blackness masculinity disability queer resistance and sex education covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender this interdisciplinary collection is essential for the canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in canada

features sixty percent new and expanded content with twenty six new chapters thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in canada each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers

more than a quarter of a century has passed since canada promised to recognize and respect the rights of children under the united nations convention on the rights of the child ratification of the convention cannot however guarantee that everyone will abandon proprietary notions about children or that all children will be free to enjoy the substance of their rights in every social and institutional context in which they find themselves including and perhaps especially within families this disconnect remains one of the most important challenges to the recognition of children s rights in canada the authors argue that social toxins are as harmful to children s independent welfare and developmental interests as environmental toxins and that both must be eradicated if canada is to fulfill its commitments under the convention they also argue that if canada wishes to ensure the substance of the rights outlined in the convention are socially guaranteed an attitudinal or cultural shift is required concerning the moral and legal status of children this revised expanded and updated edition of the bestselling challenge of children s rights for canada will be of interest to academics policymakers parents teachers social workers and human service professionals indeed to anyone who cares about and for children

this popular textbook offers a thorough and accessible approach to canadian studies through comparative analyses of canada and the united states their histories geographies political systems economies and cultures students and professors alike acknowledge it as an ideal tool for understanding the close relationship between the two countries their shared experiences and their differing views on a range of issues fully revised and updated the second edition of canadian studies in the new millennium includes new chapters on demography and immigration policy the environment and civil society and social policy all written by leading scholars and educators in the field at a time in which there is a growing mutual dependence between the us and canada for security trade and investment canadian studies in the new millennium will continue to be a valuable resource for students educators and practitioners on both sides of the border

includes section book reviews
