although they ministered for more than three centuries during some of israel s most tumultuous days the minor prophets remain a mystery to many christians in the 21st century old testament scholars richard alan fuhr jr and gary e yates believe that the message of the twelve minor prophets is relevant for the church today and they re introduce these important books of the bible to contemporary christians ideal for use as a textbook as well as for personal study the message of the twelve surveys the historical background of each prophetic book the prophet s message and themes as well as the book s place in the biblical canon the authors also provide in depth exposition of each book from hosea s metaphor of israel s infidelity and nahum s warnings of foreign judgments to haggai s postexilic call and malachi s vision of future restoration the message of the twelve goes beyond typical biblical surveys to examine the key interpretive issues in each book including important literary insights from the hebrew text drawing on the prophets proclamations to ancient israel and judah the authors emphasize that the church today must heed the call to reject apathy and return to a vibrant relationship with the living god

in this study arguments are put forward for the thesis that biblical exegesis of the old testament prophetic literature is not a simple matter of interpreting texts but is also a process in which logical models or possible worlds are constructed to accommodate the validity of particular interpretations the lack of a model theoretical orientation to old testament methodological approaches has led to a situation in which the criticism of particular theories rarely addresses the real points of disagreement between scholars one theory is simply set against another even though the theories would be more effectively evaluated by discussing the validity and relevance of the different models in which they are framed there

are various plausible and relevant models available for the interpretation of old testament texts in order to compare these different models a metalogical system charles sanders peirce s semiotics has been used throughout this study many important methodological issues are discussed in this study a
