the living city an intelligent analysis sensible undoctrinaire evengood humored an appealing mixture of passion and clinicaldispassion washington post book world the best antidote i ve read to the doom and gloom propheciesconcerning the future of urban america bill moyers this is fresh and fascinating material it is essential forunderstanding not only how to avoid repeating terrible mistakes ofthe past but also how to recover from them jane jacobs author of the death and life of great americancities from coast to coast

across america there are countless urbansuccess stories about rejuvenated neighborhoods and resurgentbusiness districts roberta brandes gratz defines the phenomenon as urban husbandry the care management and preservation of thebuilt environment nurtured by genuine participatory planningefforts of government urban planners and average citizens

a sociologist explores why green cities won t fix everything and urges us to celebrate urban life as it is everywhere you look cities are getting greener the general assumption is clear if something is unhealthy or bad about urban life today then nature holds the cure however argues sociologist des fitzgerald green spaces are not the panacea that people think in the living city fitzgerald tours the international green city movement that has flourished across the world and discovers the deep sometimes troubling roots of our desire to connect cities to nature talking to policy makers planners scientists and architects fitzgerald suggests that underneath the wish to turn future cities green is another wish to make the modern city and perhaps the modern world disappear altogether ultimately he makes an argument for celebrating the contemporary city as it is in all its noisy constructed artificial glory

following the tradition and style of the acclaimed index islamicus the editors have created this new bibliography of art and architecture in the islamic world the editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all european languages except turkish between 1906 and 2011 this comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in muslim societies

mobilising place management makes an important contribution to the mobilities field by arguing for the need to rethink place management it takes a point of departure in the mobilities turn and relational place thinking while exploring the relationship between place and mobility in a world of increasing mobility and global competition between nations cities and urban regions the managing of places seems more relevant than ever before by examining various examples of place and mobilities that range from the airport rural village tourist site port city to the city region this book argues that the management of places can be informed and enhanced by installing a greater awareness and understanding of mobility this insight could potentially improve the ability of current place management to translate a relational and mobilities orientated thinking into concrete actions instructions interventions designs plans policies and management control systems the book will be essential reading for researchers practitioners and students in the field of place management and across urban studies planning design geography sociology tourism transport and history

marxism was the loser in the cold war but oleg kharkhordin is not surprised that liberal democracy failed to take root after the soviet union s dissolution he suggests that russians find a path to freedom by looking to the classical tradition of republican self government and civic engagement already familiar from their history and literature

sewell explains how toronto was subjected to the same fraudulent urban development theories and practices as other north american cities and how it has survived them to become a model for sane growth he traces the ideals to their origin in the 19th century the epidemic of modern planning after world war ii its rejection the creation of alternatives and the lingering problem of the suburbs paper edition unseen 18 95 annotation copyright by book news inc portland or
