gender based violence is a complex and multifaceted issue and many people even if they do not have direct experience as a victim or perpetrator still have difficulty understanding it initially it is important to recognize that gender based violence is not limited to physical violence it also includes emotional psychological and economic abuse as well as threats and control most cases of gender based violence do not occur due to force but rather due to the desire to control and suppress another person regarding the question of why men commit gender based violence and women remain in such relationships the answers can be multifaceted and depend on the specific situation for example men may use gender based violence to maintain power and control in relationships and women may remain in such relationships due to fear dependency economic vulnerability or cultural and social dynamics gender based violence is a broad and complex social problem that affects many aspects of human life it can manifest itself in various forms and contexts including the family environment social relationships work environment etc it is important to understand that gender based violence is not limited only to physical actions although they often act as one of its manifestations it also includes emotional abuse psychological abuse economic abuse and threats and behavioral control one of the main causes of gender based violence is the desire to control and suppress another person this may occur due to inequalities in power and status between partners as well as cultural and social attitudes that support and reinforce inequality between genders in addition stereotypes about masculinity and femininity can contribute to the emergence and maintenance of gender based violence by creating norms of behavior that justify or normalize such actions it is important to understand that gender based violence can affect all people regardless of their gender age race social status or other characteristics although women make up the majority of victims of gender based violence men can also be victims and this often goes unappreciated or underappreciated in society gender based violence can affect both women and men and people of any gender identity it is important to understand that gender based violence is not limited to female victims

although women and girls make up a significant proportion of victims however men boys and people with other gender identities can also be vulnerable to gender based violence research shows that men can also be victims of gender based violence but the frequency and forms of violence may vary depending on cultural social and other factors gender based violence is a complex and diverse issue that requires attention and support for all victims regardless of their gender identity combating gender based violence requires a systemic approach that includes education and public awareness of the problem strengthening legal and legal responses support for victims and working to change cultural norms and stereotypes about gender working to overcome gender based violence requires the participation of the entire society and efforts at all levels from the personal to the global gender based violence includes a wide range of forms including physical emotional sexual and economic violence as well as threats and controlling behavior it can manifest itself in various areas of life including the family environment social relationships work environment etc in our world where we strive for equality and justice the topic of gender based violence remains one of the most important and relevant gender based violence is not only a physical problem but also a complex socio cultural phenomenon that covers various aspects of human life in our book we will look at this problem in all its manifestations and aspects exploring the various types of violence its causes and consequences as well as ways to overcome and prevent it in the first part we dive into the world of types of gender based violence revealing its multifaceted nature from physical violence to emotional psychological and economic we will look at each type separately analyzing its causes mechanisms of action and consequences for victims in part 2 we delve deeper into the drivers and causes of gender based violence exploring the role of cultural stereotypes social expectations power and control we will conduct research into the personal and psychological factors that contribute to the emergence and maintenance of gender based violence in modern society the third part of our book is dedicated to support for victims of gender based violence we cover primary care safety mental health legal and social support offering readers practical advice and resources to support themselves and those around them in part four we will turn to preventing and combating gender based violence discussing the role of education programs and campaigns working with perpetrators and community engagement in solving this problem the final part of our book will review the main ideas proposed in it and call readers to action we hope that our work will become not only a source of knowledge but also a source of inspiration for those who strive to create a world free of gender based violence we invite you on a journey through the complex

paths of gender based violence where together we will try to understand its nature consequences and ways to overcome it

this report promotes a comprehensive approach to breaking the cycle of gender based violence by combining insights from recent oecd work with robust evidence from surveys and questionnaires conducted in oecd member countries

in this publication the preliminary results are presented of the european epogender project gender violence protocols for the protection of victims and effectiveness of protection orders towards and efficient implementation of directive 2011 99 eu carried out under the daphne iii programme 2007 2013 of the european union the handbook focuses on the analysis of the national legislation of the eu member states regarding protection measures for the victims of gender violence as well as the issues that may arise in applying the european protection order

a call to action to redraw policy boundaries until they transform u s democracy to be more inclusive equitable and just

master s thesis from the year 2016 in the subject sociology relationships and family grade a language english abstract the study established the effect of socio cultural factors on the management of sexual and gender based violence sgbv against women in apac district of uganda the specific objectives of the study were to assess the extent to which bride price practices affects management of sexual and gender based violence against women in apac district to explain the effect of cultural norms on management of sexual and gender based violence in apac district and to establish the extent to which the moderating effect of the composition of lc courts affect the management of sexual and gender based violence against women literature on sociocultural and management of sgbv was reviewed a case study research design was used supplemented by both qualitative and quantitative approaches an accessible population of 320 elements was used to determine a sample size of 175 respondents a 71 response rate was obtained key findings of the study include a positive significant relationship result for bride price practices 355 cultural norms 580 and composition of lc courts 514 on management of sexual and gender

based violence the study concluded that sgbv acts led to splitting of more families fewer women reported domestic violence and women beaten were psychologically tormented and rarely were men apprehended when they beat their wives however many community members were not aware of violence in homes many women eloped as a result of domestic violence and many were isolated and neglected fewer lc courts adhered to a predefined mechanism many women were dissatisfied with the court set up and injustice prevailed the study recommends that locally guidelines for payment of bride be formulated use ceremonies such marriage and naming ceremonies to deliver sgbv information and informing communities that sgbv was punishable under the laws of uganda there is need to introduce a women s desk for more work coordination need to form a task force to review lc court composition and ensure a fair community evaluation exercise on the role played by the lc courts
