the tenth book in the series provides firsthand accounts of the author's startup companies what he learned from his successes and failures and other topics a reader needs to know in order to start a company and quickly develop it

many people decided to go through life imprisoned by poverty and ignorance a jail of their own making when the key to door is within their reach it breaks my heart to see highly educated

middle class employees working extremely hard for money the harder they work the poorer they become the very same thing that they are working hard to acquire enslaves them because they lack financial education they are trapped in debts because they call liability an asset this book will assist you in building a successful company without any capital upfront it teaches you how to take advantage of online freely available resources and technology to launch a business this is not about quick money it s about becoming smart working hard and achieving financial freedom the reason you need to learn how to build your own business is because you need to stop working for money rich people don t work for money in this book you will discover that you don t have to underestimate yourself and your passionate thoughts particularly if your ideas are about solving other people s problems by reading this book you will be able to reinvent yourself by becoming more creative capable to reason in order to solve your real financial woes using interdisciplinary approaches provided by the gurus of this digital era

please note this is a companion version not the original book sample book insights 1 to share your message you must first build an audience of people who will listen to you you can do this by focusing on a future based cause that is bigger than yourself and by offering your audience a new opportunity 2 every great movement needs a leader it s easy to assume that some people are just born leaders and others aren t but that s not the case everyone is a leader in some way whether it s through their own personal growth or contribution 3 your superpower which is your ability to see things that need to be changed is a gift that you have been given it is a skill that people will pay hundreds of thousands of dollars to learn from you because you have spent so much time mastering it 4 you are ready to help people now you don t have to be the most knowledgeable person in your field just one chapter ahead of the people you re helping there will always be people who are more advanced than you that s fine you can learn from them

have you been thwarted in your quest to find your life s passion has something or someone maybe even yourself blocked you from discovering who you really are your gift what you seek then you need the holy hand grenade napoleon hill said desire is the starting point of all achievement solomon said hope deferred makes the heart grow sick but desire fulfilled is a tree of life yet many people go through life with no real hope desire or passion and have hearts that are sick it doesn t have to be that way jesus said i came that you may have life and have it abundantly don t you want an abundant life many books have tackled different aspects of who you are what your gift is and what you seek but none has really covered them completely enough to help you until now the holy hand grenade is not just good information but real answers and applications for what you really want really if desire passion and purpose are what you need then the holy hand grenade belongs in your arsenal

this book was designed to reduce mistakes your mistakes with money tiny errors epic fails and everything in between you can do thousands of things right but make just a few of the errors we

discuss and you destroy much of your portfolio if you could learn how to avoid the unforced errors investors make all the time you would make your life so much richer and less stressful the counterintuitive truth is avoiding errors is much more important than scoring wins i how not to invest i shows you a few simple tools and models that will help you avoid the most common mistakes people make with their money learn these and you are ahead of 98 of your peers make fewer errors end up with more money i how not to invest i lays out the most common errors investors make barry ritholtz reveals his favorite mistakes including the lessons we can learn from some of the wealthiest and most error prone investors we all make mistakes the goal with this book is to help you make fewer of them and to have the mistakes you do make be less expensive
