women have historically been prevented from living autonomously by systematic injustice subordination and oppression the lingering effects of these practices have prompted many feminists to view autonomy with suspicion here marilyn friedman defends the ideal of feminist autonomy in her eyes behavior is autonomous if it accords with the wants cares values or commitments that the actor has reaffirmed and is able to sustain in the face of opposition by her account autonomy is socially grounded yet also individualizing and sometimes socially disruptive qualities that can be ultimately advantageous for women

friedman applies the concept of autonomy to domains of special interest to women she defends the importance of autonomy in romantic love considers how social institutions should respond to women who choose to remain in abusive relationships and argues that liberal societies should tolerate minority cultural practices that violate women s rights so long as the women in question have chosen autonomously to live according to those practices

first published in 1987 after many years of neglect research on fathers is proliferating rapid changes are now taking place new aspects of fathers behavior are being examined new issues are being raised and new methods are being devised in the spring of 1984 a 2 day conference was organized by the national institute of child health and human development to explore theoretical and methodological questions concerning men s development of parental attitudes behaviors and roles from their children s prenatal period through early infancy most of the researchers who participated in the conference are still working with longitudinal projects that continue to trace the development of fathers throughout their children s early years this book presents the work of eight of these investigators

a book certain to appeal to many readers experts discuss the intricacies of maintaining a positive affirming relationship entire sections of this large and impressive 300 page anthology cover the gamut of gay relationships including what can go right or what can go wrong where to look for lovers what it takes to maintain a gay relationship how to solve problems in a relationship difficulties in role expectations depression excessive drinking and much more

the technology has been there for over 20 years how come there is still no male pill on the market
