the unsaid and the unheard words people were divided into seventy two languages and borders arose these lines belong to a turkish thinker who lived in the 13th century unesco declared 2021 as the year of yunus emre for the 700th anniversary of his death in this book we have also a short story dedicated to yunus emre the teachers and students collaborating to make real a mutual dream discovered the wordless language stronger than any borders we have a mutual dream with the young authors from seven different countries to create a multilingual book we published our first book last year on 23rd april 2020 printed books were delivered to the young authors studying in partner schools in the second year of our project we created short stories with children from ireland portugal spain croatia poland romania and türkiye our students wrote many short stories and 65 of them were selected to be published in this book we created an audiobook library with that stories all the stories were narrated in their mother tongues and we add english audio for selected stories also stories are illustrated by the students from different countries we also have a collaborative story this year each part of the story was written by etwinners studying in different schools it consists of 13 parts nihal the main character needs to find an extinct plant but it s harder for her to find someone to rely on we travelled with her in different countries and times to learn more about her adventure it took seven months to complete that collaborative story we used english as a common language during the meetings but we created opportunities for our students to use their mother tongues too we experienced multilingualism with our students and parents they become familiar with different languages and cultures through our language friendly project we want to encourage students to develop an interest in different languages and cultures by welcoming and valuing all languages spoken by creating a story a child can channel their emotions and decide on how to behave in challenging situations they might encounter while creating a story the author shows empathy with the characters expresses different emotions experienced by characters or overcomes a difficult situation that a character encountered this may help a child to express how they feel and understand how others feel storytelling is a way of self discovery and self expression their feelings can be demonstrated throughout the child s words creating a story can also develop language skills the mother tongue education is a raison d être for the schools because when learners develop their mother tongue they are simultaneously fostering a whole host of other essential skills such as critical thinking and literacy skills children with a strong mother tongue can easily pick up a second language and
