introduction by mary oliver commentary by henry james robert frost matthew arnold  
oliver wendell holmes and henry david thoreau the definitive collection of emerson s  
major speeches essays and poetry the essential writings of ralph waldo emerson  
chronicles the life s work of a true american scholar as one of the architects of the  
transcendentalist movement emerson embraced a philosophy that championed the  
individual emphasized independent thought and prized the splendid labyrinth of one s  
own perceptions more than any writer of his time he forged a style distinct from his  
european predecessors and embodied and defined what it meant to be an american  
matthew arnold called emerson s essays the most important work done in prose  
includes a modern library reading group guide

the oxford handbook of transcendentalism offers an eclectic comprehensive  
interdisciplinary approach to the immense cultural impact of the movement that  
encompassed literature art architecture science and politics

transcendental learning explores the educational views of alcott emerson fuller  
peabody and thoreau it highlights holistic education emphasizing the whole child  
happiness interconnectedness with nature and environmental education their vision  
contrasts with today s factory like schooling approach

the american transcendentalists essential writings modern library classics paperback  
january 10 2006 by ralph waldo emerson transcendentalism was the first major  
intellectual movement in u s history championing the inherent divinity of each  
individual as well as the value of collective social action in the mid nineteenth century  
the movement took off changing how americans thought about religion literature the  
natural world class distinctions the role of women and the existence of slavery edited  
by the eminent scholar lawrence buell this comprehensive anthology contains the  
essential writings of ralph waldo emerson henry david thoreau margaret fuller and  
their fellow visionaries there are also reflections on the movement by charles dickens  
henry james walt whitman louisa may alcott and nathaniel hawthorne this remarkable  
volume introduces the radical innovations of a brilliant group of thinkers whose  
impact on religious thought social reform philosophy and literature continues to  
reverberate in the twenty first century we are delighted to publish this classic book  
as part of our extensive classic library collection many of the books in our collection

examines transcendentalism as a distinct rhetorical genre concerned primarily and self consciously with questions of power nathan crick has crafted a new critical rhetorical history of american transcendentalists that interprets a selection of their major works between the years 1821 and 1852 as political and ethical responses to the growing crises of their times in the keys of power crick argues that one of the most enduring legacies of the transcendentalist movement is the multifaceted understanding of transcendental eloquence as a distinct rhetorical genre concerned primarily and self consciously with questions of power crick examines the transcendentalist understanding of how power is constituted in both th self and in society conceptualizing the relationships among technology nature language and identity critiquing the ethical responsibilities to oneself the other and the state and defining and ultimately praising the unique role that art action persuasion and ideas have in the transformation of the structure of political culture over historical time what is offered hereis not a comprehensive genealogy of ideas a series of individual biographies or an effort at conceptual generalization but instead an exercise in narrative rhetorical theory and criticism that interprets some of the major specific writings and speeches by men and women associated with the transcendentalist movement sampson reed amos bronsonalcott orestes brownson ralph waldo emerson margaret fuller henry david thoreau and frederick douglass by placing them within a specific political and social history rather than attempting to provide comprehensive overviews of the life and work of each of these individuals this volume presents close readings of individual texts that bring to life their rhetorical character in reaction to particular exigencies while addressing audiences of a unique moment this rhetoric of transcendentalism provides insights into the keys of power that is the means of persuasion for our modern era that remain vital tools for individuals seeking to reconcile power and virtue in their struggle to make manifest a higher ideal in the world

an ecology of communication addresses an ecological and communicative dilemma the universe earth and socio cultural life world are resoundingly dialogic yet we have created modern and postmodern cultures largely governed by monologue this book is indispensable reading for scholars and students of communication ecology and social sciences as it moves readers beyond the anthropocentric bias of communication study toward a listening based model of communication an essential move for discerning fitting responses and the call to responsibility in an age of ecocrisis
