theology the study of god is a concern for every believer not just theologians or those in ministry it s the goal of good theology to humble us before the triune god of majesty as we come to understand him better this is a book of and about good theology award winning author theologian and professor michael horton wrote the christian faith as a book of systematic theology and doctrine that can be preached experienced and lived as well as understood clarified and articulated it s written for a growing cast of pilgrims in ministry and laity who are interested in learning about christ as a way of living as a christian who understand that knowing doctrine and walking in practical christianity are not competing interests the christian faith is divided into six parts five of which each focus on an aspect of god while the first part sets up an understanding and appreciation for the task of theology itself addressing topics like the source of theology where the idea of theology comes from and what its limits are the origin of the canon how the modern bible came about and why we can trust it the character of theology is the nature of theology practical theoretical or can it be both in a manner equally as welcoming to professors pastors students and armchair theologians horton has organized this volume in a readable fashion that includes a variety of learning features a brief synopsis of biblical passages that inform certain doctrines surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions substantial interaction with various christian movements within the protestant catholic and orthodoxy traditions as well as the hermeneutical issues raised by postmodernity charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics at the heart of this book is a deep love for and curiosity about god its basic argument is that a personal relationship with god goes hand in hand with the pursuit of theology it isn t possible to know god without studying him

a collection that includes two of our most exemplary textbooks systematic theology and historical theology the ebook will provide an introduction to biblical and christian doctrine

should christians be involved in political issues this comprehensive and readable book presents a political philosophy from the perspective that the gospel pertains to all of life including politics politics according to the bible is an in depth analysis of conservative and liberal plans to do good for the nation evaluated in light of the bible and common sense evangelical bible professor and author of the bestselling book systematic theology wayne grudem unpacks and rejects five common views about christian influence on politics compel religion exclude religion all government is demonic do evangelism not politics and do politics not evangelism instead he defends a position of significant christian influence on government and explains the bible s teachings about the purpose of civil government and the characteristics of good or bad governments grudem provides a thoughtful analysis of over fifty specific and current political issues dealing with the protection of life marriage the family and children economic issues and taxation the environment national defense relationships to other nations freedom of speech and religion quotas and special interests throughout this book he makes frequent application to the current policies of the democratic and republican parties in the united states but the principles discussed here are relevant for any nation

the church needs good theology that engages the head heart and hands this four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible reformed and experiential approach in this volume joel r beeke and paul m smalley explore the first two of eight central themes of theology revelation and god

the second edition of this important foundational text for the emerging church includes a new foreword by biran mclaren and a new afterword from john franke updating the book for the contemporary church scene

this is a complete revision of the gold medallion winning commentary series it is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint

puts the case that the bible supports equality of men and women

editors gavin mcgrath and w c campbell jack with consulting editor c stephen evans offer this one volume resource packed with hundreds of articles on key topics historic figures and contemporary global issues relating to the study and practice of christian apologetics

paul s letters stand at the center of the dispute over women the church and the home with each side championing passages from the apostle now in a challenging new

attempt to wrestle with these thorny texts craig keener delves as deeply into the world of paul and the apostles as anyone thus far acknowledging that we must take the biblical text seriously and recognizing that paul s letters arose in a specific time and place for a specific purpose keener mines the historical lexical cultural and exegetical details behind paul s words about women in the home and ministry to give us one of the most insightful expositions of the key pauline passages in years this book can be of great help to any person seriously interested in examining why paul said some of the things he did about women in marriage and women in ministry alvera mickelsen board member christians for biblical equality for those comfortable with traditional pauline arguments concerning the subordination of women in the church and home keener presents more than they ever wanted to know about paul s intended meaning but for those struggling to understand paul s full purpose for women in his time and ours paul women and wives will prove to be must reading keener s comprehensive bibliography and literature review are alone worth the price of the book robert k johnston provost and dean north park seminary
