the dynamics of play the pragmatics of play the futuristics of play the prospect for the ludenic condition

seminar paper from the year 2016 in the subject didactics for the subject english literature works grade 1 3 university of tuingen language english abstract in the following the original play will be compared to the film adaptations by roman polanski in 1971 and by justin kurzel in 2015 additionally the most important scenes and essential details in all three will be analyzed although technological progress affords humanity new possibilities in all sectors be it communication systems the news education bank transactions or entertainment it is inconceivable to dispense with books letters or newspapers especially in the entertainment category movies today are what novels were decades and centuries ago they tell stories history sciences etc and like books they are grouped into various genres by this observation they seem quite similar and the obvious difference is the textual information transfer of books compared to the audio visual of movies not only macbeth but most of shakespeare s plays have been turned

into films his plays are surprisingly relevant in contemporary life and school they are an integral component of general knowledge the significance of macbeth is obvious when you see how often it was reused already by 1908 the director stuart blackton produced the first film version of shakespeare s tragedy whereon many more followed the best known by welles kurosawa and polanski but how could these two famous directors transfer shakespeare s stage play into movies is the content adopted accurately or is it falsified and what changes were accidentally or deliberately made

this book tells the stories of 80 women who were among the top vaudeville acts in the late 19th and early 20th century the author summarizes the history of women in the performance industry and traces the lifespan of vaudeville biographies of the performers appear in order of the date they entered vaudeville provided by publisher

examining both the political and cultural contexts film in canada presents a comprehensive discussion of canadian cinema the main focus of the text is to examine the films themselves but it also addresses many issues surrounding the film industry within canada including national identity ethnic diversity the nation s official languages and global media marketplace each chapter is organized around a specific topic exploring both the historical trends and contemporary examples allowing them to be used in sequence or independently
